United Methodist Churches of Indiana

To Whom It May Concern,

I am pleased to write to express my thanks and support of A Better Life-Brianna's Hope.

I first became aware of ABLBH as I witnessed them launching chapters in several of our United Methodist Churches throughout Indiana. Their unique approach to help those struggling with addiction is a breath of fresh air. My first personal exposure was attending an evening meeting that they coordinated in New Castle, Indiana. It was there that I recognized this organization's selfless efforts on behalf of those battling substance abuse.

I have been excited to see other United Methodist Churches embrace A Better Life-Brianna's Hope as they engage the people in their communities. This ministry continues to grow and is making a difference in the lives of so many throughout Indiana and western Ohio.

It is with high confidence that I recommend A Better Life-Brianna's Hope as a way to meet the needs of those battling substance abuse.

Be encouraged.
